CAREER OBJECTIVE

AI & ML Engineering undergraduate with hands-on experience in Python, Flask, NLP, and data analytics. Built AI-powered chatbots, GenAI reasoning systems, and full-stack applications using React, Express.js, and MySQL. Strong foundation in machine learning, data visualization (Tableau, Power BI), and API integration. Actively seeking AI/ML Intern or Software Engineering Intern roles.

EDUCATIONAL QUALIFICATION

- **Bachelor of Engineering :Artificial Intelligence and Machine Learning**

CMR Institute Of Technology, Bengaluru

CGPA : 8.53,2027(Pursuing)

- **Pre - University Course :PCMB**

Christ Global Composite PU College , Bengaluru

93.5%,2023

- **10TH Grade:**

New Baldwin International School , Bengaluru

86.3%,2021

TECHNICAL SKILLS

- **Programming:** Python, C
- **Web & Backend:** HTML, CSS, JavaScript, React, Node.js, Express.js, Flask
- **Databases:** MySQL, PostgreSQL
- **Tools & Platforms:** Git, GitHub, Render, Netlify, ngrok
- **AI/ML & Data:** spaCy, NLP, Transformers, Data Analytics, Tableau, Power BI, Excel
- **UI/UX:** Figma
- **Operating Systems:** Windows, Linux, macOS

PROJECTS

- **AI-Powered Inconsistency Detector for Police Case Analysis**

- Built a Gen-AI forensic tool to cross-examine witness statements, FIRs, and CCTV summaries — auto-detecting contradictions in timelines, suspect appearance, and vehicle details
- Engineered dual-mode output (Simple / Detailed View with similarity scores & conflict breakdowns) + Flask REST backend with real-time UI rendering and one-click ReportLab PDF export
- End-to-end full-stack deployment with a hybrid NLP pipeline combining LLM reasoning, semantic similarity scoring, entity extraction, and regex-based pattern matching across unstructured case documents
- **Tech Stack:** Python, Flask, Groq API (LLaMA 4 Scout), spaCy, sentence-transformers (MiniLM-L6-v2), dateparser, ReportLab, HTML/CSS/JavaScript

- **GoalPulse — AI-Powered Goal Tracking Web App**

- Built a full-stack React app integrating the MEMbrain semantic memory API to store, retrieve, and semantically search user goals and progress events in real time
- Engineered a D3.js force-directed graph (Goal Constellation) visualizing goal-event relationships with physics simulation, zoom/pan, drag interactions, and animated glow effects

- Managed global state via React Context + custom hooks, decoupling API logic from UI across 6+ components.
 - **Tech Stack:** React 19, D3.js v7, Framer Motion, MEMbrain API, Vite, Tailwind CSS
 - **TalentPool: Real-Time Job Market Analytics Engine**
 - Developed a full-stack analytics platform using Python (Flask) and Streamlit to aggregate, process, and visualize high-volume recruitment data.
 - Implemented interactive data visualization dashboards to provide real-time insights into salary trends, hiring velocity, and role distribution, reducing manual analysis time by 40%.
 - Architected a normalized PostgreSQL database with optimized indexing, ensuring secure and scalable storage for 10,000+ job records with millisecond retrieval times.
 - Engineered a high-performance data caching layer to handle concurrency, reducing query latency by 95% and ensuring system resilience under load.
 - **Tech Stack:** Python, Flask, Streamlit, PostgreSQL, Pandas, SQL, Caching, Data Visualization
-

CO-CURRICULAR ACTIVITIES

- **Certifications**
 - UI/UX Design Fundamentals – [UDEMY /2025]
 - Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate - [ORACLE UNIVERSITY/2025]
 - The Complete Full Stack Web Development - [UDEMY/2025]
 - **Technical events/hackathons**
 - Industrial Visit: U R Rao Satellite Station, Bengaluru – Aug 2025
 - Attended AIML Department Webinars (CMRIT)
 - Secured Runner up in Hackathon conducted by Toward's Club in CMRIT
 - Participant – Odoo X NMIT Hackathon 2025
 - Participant - GenAI for Police Hackathon conducted by TrendyTech
 - Participant - MEMbrain Hackathon conducted in CMRIT
-

PERSONAL DETAILS

Gender : Male
Date of Birth : 11 July 2005
Nationality : Indian
Linguistics : English,Kannada,Hindi,Tamil,Telugu
Hobbies : Video/Photo Editing,Sketching, Playing Indoor Sports
